Jeff –

Here is a DRAFT powerpoint of the facility profiles on our 9 OIG -listed EtO facilities. Our goal was to provide a basic picture of what is going on inside and outside the facility fence-line at our OIG-listed EtO facilities to facilitate decisions on potential outreach and next steps.

Ex. 5 Deliberative Process (DP)

This powerpoint is meant to be a basic picture . Please send me any comments or suggestions on what edits or information you may want – either in the powerpoint – or as more detailed separate documents..
